Displacement	4400 kg	I	14.75 m		
Ballast	1700 Kg	J	4.30 m		

HULL CONSTRUCTION

- Vacuum infused sandwich construction using multi-directional Fibreglass and PVC foam core
- High strength inner structure distributes all loads from the keel and rig
- Gelcoat: Ashland / SVG Signal White, RAL 9003 for optimal UV resistance

DECK CONSTRUCTION

- Vacuum infused sandwich deck construction using multi-directional fibreglass and PVC foam core. Aluminium inserts under deck equipment for load spreading
- Moulded non skid surfaces

RUDDER AND KEEL

- Performance T shape keel Carbon - Epoxy composite fin with high strength steel core
- Carbon rudder with JEFA self-aligning bearings. Seawater resistant aluminium shaft

MAST / STANDING RIGGING

- Selden keel stepped silver anodised mast, fractional 2-spreader with tapered top and cathedral D3 stays
- Selden silver anodised SLR - single line reefing boom
- Rigid vang with gas spring
- Dyneema backstay system
- Dyform stainless steel standing rigging 1/19

RUNNING RIGGING

- 1 main halyard
- 1 jib halyard
- 2 gennaker halyards
- 2 jib sheets
- 1 main sheet
- 2 gennaker sheets
- 1 gennaker retriever
- 1 outhaul for the main
- 2 reefing lines

DECK EQUIPMENT

- Harken and Spinlock deck equipment:
- 2 Harken Performa 40.2PTP halyard winches on coach roof
 - 2 Harken Performa STP46.2 head sail winches
 - 2 Head sail sheet tracks with cars adjustable from cockpit
 - Mainsheet traveller with car adjuster on cockpit floor
 - 2 Deck organisers
 - 2 Sets of Spinlock clutches
 - Gennaker deck gear with bow sprit in Carbon fibre
 - Steering compass
 - Tiller in Carbon fibre with tiller extension (optional twin steering wheels)
 - S/S pulpits & pushpits with stanchions and 2 lifelines
 - 4 Fixed mooring cleats
 - Integrated toe rail
 - Cockpit lockers
 - Gas bottle locker with drainage
 - Removable S/S bathing ladder

FAREAST 37R

- Grab rails on coach roof
- Jack line attachments on deck
- Helmsman foot supports

ENGINE

- D1-20 Volvo Penta, S-Drive.
- Control lever in cockpit
- Engine control panel, engine hour meter
- Fuel tank, fuel filter with water separator
- Fixed 2-blade propeller

WATER SYSTEM

- Fresh water tank
- 12 V fresh water pump
- Central 12V bilge pump with automatic switch, 1 manual bilge pump in cockpit
- Black water tank (Optional)

INTERIOR

- GRP with inlays of Aluminium and Carbon
- Light weight floorboards, vacuum infused in Aluminium moulds
